Old Business:

Hunt Test: Zach, Linda, Dana, and Brad all reported positive comments about the Hunt Test. Dana reported the net profit on the event is approximately \$270 dollars and future events will be more profitable because we qualifying ribbons will not need to be purchased. A discussion followed on some possible improvements:

- Back course was causing many dogs to DQ
- Some participants expressed a preference for chukar over quail
- There is significant interest in holding a hunt test in the fall

Based upon the discussions, the following motions were put forward and approved unanimously:

- To attempt to hold a hunt test on Sat 10/03 and Sun 10/04
- To reconsider mixing the birds but to stay with quail for the October hunt test

Training Birds: Brad reminded the members that the Club still has quail available for training and encouraged members to use them soon.

New Business:

Meetings: The members present discussed the possibility of suspending Club meetings during the months of June, July, and August. Dana stated this would require a change in the Bylaws because the election procedures take place throughout those months. Dana further offered to present amended bylaws before the next meeting.
